

3-Point Internal Micrometer Holtest

1,2-1,6", 0,0002"

Item number: 368-268

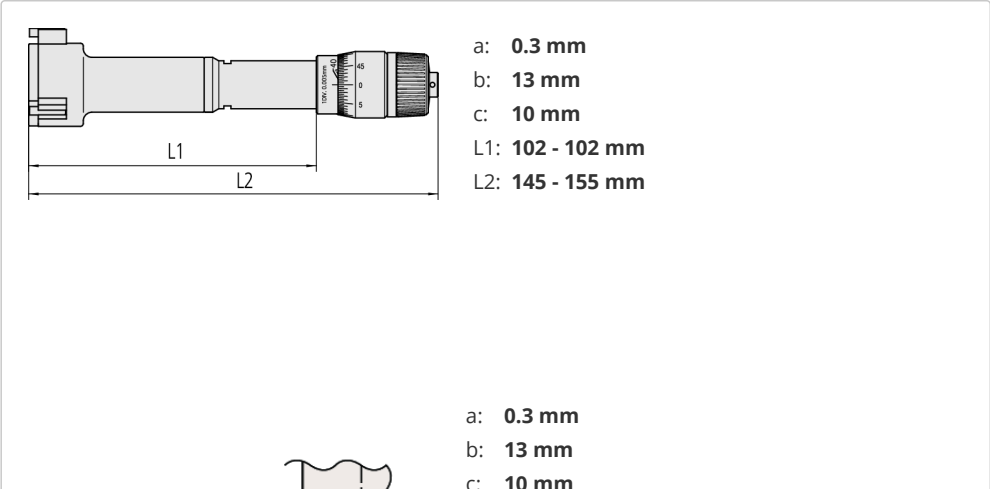

Description

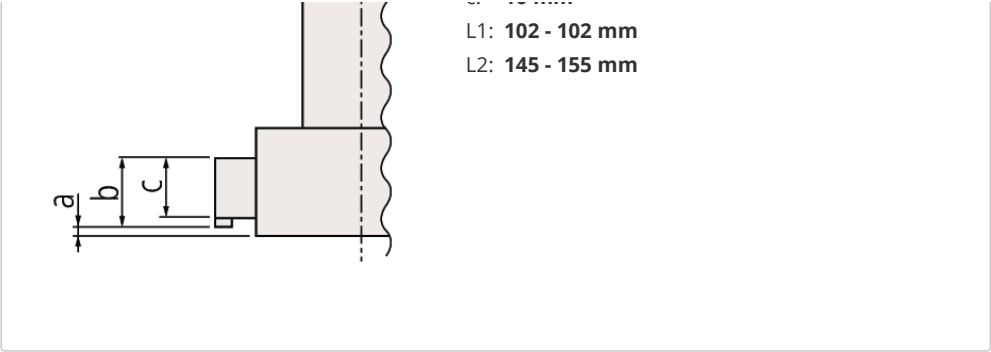

- These are three-point and two-point internal micrometers that offer you the following benefits:
- Titanium-coated measuring pins give you excellent durability and impact resistance (3-point type).
 - Three-point micrometer allows stable measurement through automatic centring.
 - It is delivered without setting rings or extensions.
